

Sponsored Sing-along

Dear Parents/Guardians,

As part of our St David's Day celebrations we have organised a sing-along for the children attending the Nursery and Reception classes. Developing musical awareness and singing for enjoyment are important elements of the children's creative development.

The sing-along will take place in the school hall on **Thursday March 3rd**. The children attending the morning Nursery and Dosbarth Penrhyn and Gogarth will sing together at 10:30. The children attending the afternoon Nursery and Dosbarth Penrhyn and Gogarth will sing together at 2:15. We will be singing a collection of Welsh and English songs.

Parents / guardians are welcome to come along and listen to the children and even join in!! Children are welcome to come to school on this day wearing Welsh costume or Welsh colours. Whether you come in the morning or the afternoon you can enjoy a cup of tea or coffee with us. There will be no charge for this event, but donations will be gratefully received towards Mr Jones' fundraising for Diabetes UK.

Thank you for your support,

Bethan Roberts
Eleri Williams
Bethan Parkes.
