Years 3 ~~and 4~~

Tuesday 3.30pm-4.30pm

7/6, 14/6, 21/6, 28/6, 5/7

Dear Parents,

We are pleased to announce that LTC Tennis will be running an after-school club this year. The after-school club is designed to introduce tennis at a basic level. The players will learn the various shots that are demanded of them when playing a game. They will learn the scoring system and how to run their own matches. As well as learning all of the above the players will have to complete various physical literacy tasks each week aimed at improving agility, balance, co-ordination and speed.

The cost of the course is £10 per child for the 5 weeks.

Parents to collect children from the school hall and sign their child back out with the coach.

Please fill out the form below to take advantage of this opportunity.
